Yes, I would be interested in receiving a discounted membership to the PrimeTime Senior Program as part of my benefits as a Paris Regional Medical Center Auxiliary Member.

The Hospital

Paris Regional Medical Center in Paris, Texas offers some of the most comprehensive health and wellness care in Northeast Texas and Southeast Oklahoma.

We have more than 400 beds between our two campuses in a setting in which our dedicated medical staff, hospital staff, and other members of the community can provide health care on both an inpatient and outpatient basis to residents of Paris, and Lamar and surrounding counties.

Our facilities include a top-of-the-line heart care center, surgical center, orthopedics, radiology lab, pediatric services, women's services, emergency services and rehabilitation center. We also operate four clinics that offer quality medical care in rural areas. To keep you healthy, we also offer a number of wellness programs, support groups, health screenings and a senior fitness center. Keeping you healthy is our business.

Our South Campus is located at 820 Clarksville St., just east of downtown Paris. The North Campus is located at 865 Deshong Dr. just off the north loop.

***Auxiliary
Volunteer
Application***

The Auxiliary at Paris Regional Medical Center, founded in 1955, is designed to provide service to patients, administration and hospital personnel. In addition to assisting the hospital with manpower, the Auxiliary supports the hospital financially by donating proceeds from various fundraisers held during the year.

Paris Regional Medical Center's Auxiliary operates under the auspices of the hospital's Board of Trustees and is under the supervision of the hospital administrator. Officers and a board of directors conduct the business and activities of the Auxiliary.

Give from your heart and enjoy fellowship with Paris Regional Medical Center Auxiliary

Auxiliary

If you have time to spare and enjoy helping others, then volunteering is for you. Volunteers are male, female, retired, employed, college students, local residents or individuals from surrounding communities. These uncommon people have one common purpose - they are dedicated to helping others. Every person who is interested can fill out an application and background check and be interviewed. Special talents and personal schedules are matched to the hospital's needs. Most volunteers donate four hours per week. However, additional help is always welcome. Volunteerism offers something for everyone who wants to make his or her spare time special.

Volunteers work in the hospital gift shop, help with clerical duties, deliver flowers and mail to the patients, staff the information desk and transport patients.

Besides helping your community, being a hospital volunteer allows you access to hospital programs, free lunch on the day you volunteer, and a yearly awards luncheon and Christmas Party.

There are many areas in which your service could be used, including but not limited to:

- Gift Shop
- Snack Bar
- Intensive Care Waiting Room
- Floor Hostess
- Information Desk
- Popcorn
- Registration
- Library
- PrimeTime Senior Center
- Human Resources
- Accounting
- West Paris Family Clinic
- Outpatient Day Surgery Center

If you are interested in volunteering for Paris Regional Medical Center, please contact the Director of Volunteer Services, 903-737-1137 or the Volunteer Assistant, 903-737-1161.
