

Interpreter Services

Telephone Interpreting

You can use a cell phone on "Speaker" mode, or you can get the dual-handset telephone from the House Supervisor.

Dial (877)274-9745
PRMC Code - 1707172

Video Remote Interpreting

Primarily for the hearing impaired

On a webcam enabled WOW or other laptop, navigate to: interpretrac.lsaweb.com

Username: **prmc**

Password: **prmc**

Follow the "Video Remote Interpreting Best Practices".

In order to be sure we can always communicate these things effectively with our patients, even when language barriers exist, we use a language service. Employees should feel free to use the service when needed to communicate with patients.
